## 2017-2018 CORPORATE SPONSORSHIP

Giving to Artbarn is a powerful way for your company to demonstrate its support of the performing arts to the families of more than 500 young actors who perform on our stage each year, and more than 4,000 audience members in the greater Boston area who come to see our season of shows. More than anything, it establishes your company as an important member of our community, and our families will remember your support.
