The show must go on!

The Artbarn stage has always been a place of creativity, innovation, and out-of-the-box thinking. So, while we have been hit hard by the challenges of the COVID-19 pandemic, we have rallied around the ingenuity of our incredible staff and the courage of our young actors to keep our stage lights on. This fall, we are thrilled to present our **Virtual MainStage** - a season of virtual productions created and performed online. We are grateful for the opportunity to provide our actors with a place to connect and create together, but we need your support to do so.

Why sponsor our Virtual MainStage?

- ★ **Support** our efforts to keep the performing arts alive in our community.
- ★ **Sustain** creative opportunities for the 500+ young actors who call Artbarn home.
- ★ **Secure** a strong, stable future where we can successfully re-open our in-person performance space when the moment comes.

What does a sponsorship entail?

- ★ **Sponsor** one of our virtual main-stage performances for **\$1,000**.
- ★ **Receive** the following:
 - Your logo featured in the opening & closing credits of your sponsored performance.
 - A dedicated acknowledgement in email & social media announcements for the performance.
 - Your company listed & linked on our website.
 - The immense gratitude of our staff and Board of Directors
