The shows must go on (but we need your support)!

Winter session of our **Virtual MainStage** is in full swing, with productions of *Dear Edwina*, *Fame* and a brand new original - *My Favorite Thing About Humans* - all currently in rehearsals and readying for performances at the end of March.

Now we need your help. We are looking for **Corporate Sponsors** to support each production and ensure that we can continue to provide our actors with a place to connect and create together.

Why sponsor our Virtual MainStage?

- ★ **Support** our efforts to keep the performing arts alive in our community.
- ★ **Sustain** creative opportunities for the 500+ actors who call Artbarn home.
- ★ **Secure** a strong, stable future where we can successfully re-open our in-person performance space when the moment comes.

What does a sponsorship entail?

- ★ **Sponsor** one of our virtual main-stage productions for **\$1,000**.
- ★ **Reach** an ever growing audience of local parents and families.
- ★ **Receive** the following:
 - Your logo featured in the opening & closing credits of your sponsored performance.
 - A dedicated acknowledgement in email & social media announcements for the performance.
 - Your company listed & linked on our website.
 - The immense gratitude of our staff and Board of Directors

Ready to become a sponsor?

- ★ **Email** your interest to info@artbarn.org

Though we have certainly been challenged by the past year, Artbarn has rallied around the ingenuity of our staff, the courage of our actors and the generosity of our community to keep our stage lights on. We look forward to the moment when we can reopen our in-person performance space and celebrate the magic of live theater together.

With thanks,
